

ideacentre CREATOR 5

CREATE AMAZING.

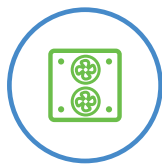

A powerful and modern desktop built for creators has finally arrived with the Lenovo™ IdeaCentre™ Creator. Unlike other general multiuse desktops, IdeaCentre Creator features latest Intel® Core™ processors and NVIDIA® GeForce RTX™ graphics to ensure you a smoother performance in an for intense work. The special thermal design is specially design for a provides better cooling efficiency with minimal noise, allowing you to focus your creativity with less distraction. A bundle of applications for creators is packed into Lenovo Vantage as offering you the best support for seamless creation.

WHY YOU SHOULD BUY LENOVO IDEACENTRE CREATOR 5

Maximize your imagination

IdeaCentre Creator 5 is powerful desktop that is perfectly designed for content creator. At its heart are up to the latest Intel® Core™ i9 processor and latest NVIDIA® discrete graphics. With the superfast and smooth performance, none of hassle will stop your creativity.

Always stay cool and quiet

By carefully trimming the space of IdeaCentre Creator 5, the thermal design provides better cooling efficiency and minimal noise. Unlike general desktops which is noisy while running heavy loading applications, IdeaCentre Creator 5 stays cool and quiet in the operation so you could focus on creation with less distraction.

Ready for anything

IdeaCentre Creator 5 features one USB 3.1 Type-C™, two USB 3.1 Type-A and four USB 2.0 ports as standard, plus an HDMI™-Out—enabling you to hook up another 4K screen for best viewing experience! With up to 2 TB HDD and 1 TB SSD disk space, you can store more than enough media file and find that everything's faster, from booting up to running apps and transferring files.

Tailored made, just for you

Lenovo Vantage is developed with new UI design including all designer's favorite applications in IdeaCentre Creator 5. The desktop is ISV certified, which means it is compatible with professional software to ensure the applications run smoothly for content creation.
