

YOGA SLIM 9i (14", 5)

SMART & SLEEK.

Meet the Lenovo™ Yoga™ Slim 9i. Featuring precision-machined premium metal bonded with an authentic leather cover, this sleek clamshell combines stylish design with the boundary-breaking performance of next-gen Intel® Core™ processors, for lightning-fast responsiveness, long-lasting battery life and stunning visuals.

WHY YOU SHOULD BUY THE LENOVO YOGA SLIM 9i (14", 5)

Designed to the millimeter

The Yoga Slim 9i offers ultra-slim style, featuring precision-machined, aerospace-grade metal bonded with an authentic leather cover. Design details include high-polish edges; an engraved camera notch above the display that enables easier opening with one hand; and an edge-to-edge glass palmrest that feels cool and smooth to the touch. With this design, the trackpad is also encased under glass—we know that people like the satisfying feeling of clicking, so the Smart Sensor Touchpad actually vibrates when clicked.

Stunning clarity

See every detail in a broader range of vibrant color, with a 14" up to 4K VESA DisplayHDR™ 400 featuring up to 500 nits brightness and 90% DCI-P3 color spectrum. Edged with microborders and optimized with Dolby Vision® and integrated Intel® graphics performance, the Yoga Slim 9i offers powerfully immersive visuals combined with the 3-dimensional sound of a front-facing Dolby Atmos® Speaker System.

Keeps you fast & in the flow

Enjoy the boundary-breaking performance of the next-gen Intel® Core™ processor optimized with AI. Co-engineered by Intel® and Lenovo to provide the ultimate experience for life and work anywhere, this sleek clamshell ensures you don't have to compromise on remarkable responsiveness, lightning-fast Gigabit speeds with Intel® WiFi 6, and three Thunderbolt™ 4 ports for connecting to power, accessories and an external display.

Smarter adapts to you

The Yoga Slim 9i amplifies your abilities with AI innovation across a range of features designed to streamline your day. Get started faster than ever by simply opening your lid, combined with hands-free facial recognition login. Co-engineered with Intel®, Intelligent Cooling will optimize performance to offer up to 20 hours of battery life (TBD). Stay secure with attention sensors that will issue a Privacy Alert when someone's shoulder-surfing, and automatically log you out when you leave, ensuring your work stays private. And in select markets, you'll also be able to voice assistant Alexa, now featuring an improved UI and expanded features.

- Dolby Vision®
- Alexa⁴

¹ All battery life claims are approximate and based on two methods of testing: MobileMark® 2014 battery life benchmark and continuous 1080p video playback on the latest update of Windows 10 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

² Optional with UHD panel, 3D not available in North America.

³ Lenovo Smart Assist: Smart Display (Glance notifies you when someone's reading over your shoulder); Smart Player (video pauses when you walk away); ITS 4.0 (G-Control) battery optimization; Flip to Boot.

⁴ Available in select regions.

LENOVO SERVICES

Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

OPTIONS & ACCESSORIES

Lenovo Yoga Mouse with Laser Presenter

Lenovo Yoga Active Noise-cancellation Headphones

Lenovo USB-C Mini Dock and more
