

YOGA 7 (14", 7)

Passion for sights and sounds.

Unleash the power of your creativity with AMD Ryzen™ 6000 series processors for powerhouse speed, performance and all-day adaptive battery on the Lenovo Yoga 7 (14"). The comfort-edged design of the ultra-thin and light 360° multi-mode unibody chassis is fit for ultimate versatility, entertainment and productivity with up to 2.8K OLED touchscreen display, featuring immersive Dolby Vision® and Dolby Atmos® audio with four speakers for sights and sounds waiting to be experienced.

WHY YOU SHOULD BUY THE LENOVO YOGA 7 (14", 7)

Move to your own groove

The new comfort-edge mobile-like design on the Yoga 7 (14") fits naturally in hand - whether you are bringing the device with you, around the house, or around town, you will do it in style and comfort while gripping, carrying or using the Yoga 7 (14"). With a premium unibody chassis and 360° convertible multi-mode, there are no limitations on how you can create, work, or play.

A breath of fresh entertainment

Dive into the dazzling dimensions of ultra-vivid color and spell-binding picture quality of an up-to-2.8K OLED touchscreen display, featuring hardware-based low blue light, a 16:10 aspect ratio for a taller screen, and 100% sRGB or DCI-P3 with Dolby Vision® for true-to-life color and richer detail. Listen to enveloping spatial audio from four speakers enhanced by Dolby Atmos®.

Unleash your creative side

You won't need to scramble for dongles or power with the full array of ports including HDMI™, and a long-lasting battery with Rapid Charge technology giving you all-day productivity. The larger touchpad, as well as a full-size Active Pen keeps you creating without limitations. Four modes mean more interactivity on a laptop that does just about everything.

Smarter, clearer, and safer

Smart features like login access with Smart Login on the FHD IR webcam with privacy shutter, noise cancellation and certified hardware-based low blue light filters keep your video call quality and audio clear and free of distractions and unnecessary eye strain.

* As of December 2021, the Ryzen™ 6000 series processors for mobile are the "Most advanced mobile processors for PCs," defined as processors for x86 laptops enabled by superior 6nm manufacturing technology, vs. Intel's 11th Gen and 12th Gen mobile processors which use the 10nm "Intel® 7" node. RMB-1.

Speed. Endurance. Infinite possibilities.

Experience refreshing speed from AMD Ryzen™ 6000 series processors, the world's most advanced.* Stay unplugged with incredible battery life and enjoy the freedom to work, play, create, and entertain with performance you can trust. Thanks to the built-in Microsoft Pluton security processor, Ryzen™ 6000 series processors are first to support the full breadth of Windows 11 security features, from chip-to-cloud.

¹ All battery life claims are approximate and based on two methods of testing: MobileMark® 2018 battery life benchmark and continuous 1080p video playback on the latest update of Windows 10 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

² Local video playback @ FHD 150 nits.

³ Available in select regions.

⁴ The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

LENOVO SERVICES

Lenovo Premium Care Plus*

The ultimate PC support experience, with you as our 24/7 priority. Enjoy personalized hardware and software support from a global network of elite technicians, along with extensive solutions that protect your PC from accidental damage, battery degradation, and ensures optimized PC performance and security.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo Smart Privacy Services

Smart Privacy Services within Lenovo Vantage puts you in control of your privacy with an intelligent software that makes your browsing experience more private by blocking third-party web trackers, secures your online accounts, encrypts your WiFi connection, monitors your information for exposure in organizational data breaches, and removes your profiled data from select sites found on the internet.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.

* Launching in March 2022 in US, Canada, and AP English markets.

LENOVO CO₂ OFFSET SERVICES

Now give back to the environment in a tangible way! Lenovo CO₂ Offset Service gives you a simple and transparent way to offset carbon emissions and help the environment by supporting one of several United Nations Climate Action projects, including those that help to improve renewable energy, reduce air pollution, or enhance safe waste disposal, all of this at just the click of a button.
